Matters Arising:

1. Members of Hall Committee + members of KCC met with Bob Gordon of Ennstone Thistle on Feb 27th 2008. This was a useful meeting and the Hall Committee will meet with a surveyor and architect soon to take the hall project further.
2. Still no sign of drainage work and pavement surface repairs between Corpach and Banavie.
3. Invitation to our 3 councillors to attend KCC meetings - because of the wide area they cover, they will come if requested, for specific items, also can be contacted by phone.
They can also be approached at Ward Forums.
4. Poor response to the Old Kilmallie Photographs/ Memorabilia plea.
5. Secy has sent in bids to TranServ for 2008-9.
6. No reply to letter re. bus stop opposite Co-op. Secy to contact Councillors to see if they can get a result.

John MacDonald: spoke of plans for the gardens, roof problems etc.

Estimate for roof repairs in region of £24,000

A successful ceilidh was held raising in excess of £600. Contact for Hall bookings is Norma MacLellan (772 597).

Financial Report: £35.00 for membership of OCUK - paid

BALANCE: £1464.63(which includes £151 balance left over for Christmas parties 2008).

Planning: Usual weekly planning applications.

Environmental Matters: Signs in place at each end of Nature Trail - still maps to be added.

NO DUMPING sign to be placed beside recycling units at Kilmallie Hall.
