Kilmallie Community Company branches out

5th March 2011

Cnoc nam Faobh Oak Wood

Many thanks to Ewan Kennedy contractors who as a voluntary contribution removed some dangerous trees and branches which had been hovering over the path since the last gale – a good community effort.

Three men complete with all the safety gear, chainsaws and insurance certificates spent three hours on Saturday doing this necessary clearance work.

Roddy Mainland “supervised”. He took the photos! .
